

Junior Trip to the  
Foyle Arena

17<sup>th</sup> October 2018

Team building Trip

Donagh NS

Scoil Mhuire

St. Columb's NS

The children from the three schools were divided into mixed groups. They participated in various activities, including dance, parachute activities, judo, fundamental games, skittles and boccia. Everyone got to participate in all of the activities.

To start the day off everyone got involved in Zumba to get warmed up. We followed the instructor and copied his dance moves. The teachers, adults and Foyle Arena staff all got involved.

Parachute activities

The blue group were having a great time learning a new dance.

We played a new game called bocce. It was a great game as we were rolling a ball in the hope of getting it into one of the holes on the mat to score points.

We used a different technique when we were throwing bean bags to try and knock down skittles. We had to throw quite hard to knock them down.

The yellow group practising their fundamental skills.

The children had a very active and fun day. Everyone made new friends by mixing with children from Scoil Mhuire and St Columbs.
