

Senior Trip to the
Foyle Arena

18th October 2018

Team building Trip

Donagh NS

Scoil Mhuire

St. Columb's NS

The children from the three schools were divided into mixed groups. They participated in various activities, including rock climbing, tennis, dance and Judo.

Rock climbing proved the most popular activity of the day.

The children thoroughly enjoyed learning a new style of dance. It was tiring but very enjoyable dancing to songs which are current in the charts.

The children played a game of boccia against children from Scoil Mhuire.

Team building games

It was a lovely trip that was enjoyed by all. The children got a good chance to meet each other. They are looking forward to getting together and working as a team again!
